## PROBUS 850

On the road throughout Europe, PROBUS 850 is an ideal 9 metre luxury coach with its built quality and tried and tested features. PROBUS 850 is a master of economy with its enduring reliability and outstanding operating costs. The elegant style of the bus in combination with the large tinted side windows offers excellent visibility and a pleasant atmosphere in the bus. A synthesis of comfort and safety, PROBUS 850 has a fascinating interior design to provide customers with maximum comfort. The bus is easily accessible with enhanced entry steps on both front and rear doors. PROBUS 850 provides generous headroom and a feeling of space within the passenger compartment, allowing passengers to stand up at ease.

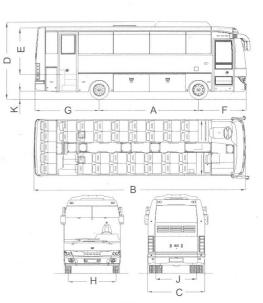

The aesthetically pleasing seats, reclining complete with folding armrest, offer maximum comfort to passengers with optimised legroom. Three-point seatbelts ensure maximum safety. Individual reading lights and air flows are fitted under the easy access overhead luggage racks. LCD monitor, DVD / Mp3 player and Public Announcement system further contribute to the concept of ultimate comfort for passengers. PROBUS 850 offers a large coolbox fridge in order to facilitate best service on longer routes. As a coach, PROBUS 850 provides a luggage compartment of 4,5 m<sup>3</sup> for inter-urban use. Robust, reliable and cost-efficient PROBUS 850 fulfils the requirements of coach operators as well as ensuring a safe and comfortable ride to the passengers.
